Conference details:

We are pleased to announce that our upcoming conference is just around the corner! Please plan on joining us on **February 9-11th** in San Antonio at the Wyndham Riverwalk Hotel. There are lots of new changes in store for this coming conference – new timing, new city, new educational opportunities and more!

Les and Seth Gold from Detroit's American Jewelry & Loan and reality TV show Hardcore Pawn will be our keynote speakers on Friday evening and again on Saturday.

Robbie Brown will be speaking on "How to Fire Up Sales with the Power of Impulse Merchandising" and "How Excess Inventory Stifles Profits and Cash". Robbie Brown has an extensive background in retailing, wholesaling, distribution service industries and consulting. He has been CEO of numerous companies in the shooting sports industry, including several retail chains and distribution companies and served as a business advisor to many CEOs both inside and outside of the firearms industry.

Other highlights will be: **NPA's CPP, Certified Pawn Professional Course**, Lunch presentation by the **ATF** and the always exciting Live **PAC Auction**.

We will have a great selection of vendors for you to meet and hopefully do business with this next year. This is a great opportunity for you to network and catch up with other independent pawnbrokers across this great state.

What we need from you? We need you to get your registration in to TAP (see attached registration form), reserve your hotel room, (866) 764-8536, bring an item for the PAC auction on Saturday evening and come ready to learn something new!

We look forward to seeing you there!
